Macpherson Acrylic Primer Undercoat is a fast drying, water-borne undercoat with excellent opacity and no residual odour. Acrylic Primer Undercoat is ideal for interior priming of softwoods, hardwoods and as an interior undercoat for gloss finishes. This dual role product eliminates the need for using 2 separate products, enabling you to get the perfect

finish in less time. Macpherson Acrylic Primer Undercoat covers up to 12-14m² per litre and benefits from extremely high obliteration properties, providing the perfect base for Acrylic Eggshell or Acrylic Gloss finishes. Buy it now at your Macpherson stockist.
