Macpherson Wood Primer is specially formulated for all interior and exterior soft wood surfaces, except those which are of a highly resinous nature. It's touch dry in just 4 hours and recoatable after 16 hours. Macpherson Wood Primer covers up to 15m<sup>2</sup> per litre (depending on surface texture), so it provides an extremely cost-effective way to prime softwood surfaces prior to overcoating with Macpherson Undercoat and Gloss.

Macpherson Wood Primer applies with excellent flow and has superb grain-filling properties, so it's easy to use. It provides a simple and cost-effective way to protect the surface and promote good adhesion for the overcoat. Every van should have one! Buy it now in White 2.5 litre and 5 litre sizes.
